 Education: A large part of our effort toward achieving our mission is to raise awareness about the need for a children's hospice and respite care home in Minnesota. Our organization has a speakers bureau. Community organizations and clubs like the Lions Clubs, Knights of Columbus, Rotary Clubs and Optimist's Clubs invite a volunteer from Children's Lighthouse of Minnesota to speak about our mission. During these speaking engagements, volunteers share the mission of Children's Lighthouse of Minnesota, the need for a children's hospice and respite care home in our community and our goals for raising money to build the home where children and families will stay for respite and end-of-life care. Another way that we raise awareness about the need for this home is by having a booth set-up at conferences and events so that people can learn more about our organization and mission to build a children's hospice and respite care home. For example, in 2012 we had a booth at the MN Network of Hospice and Palliative Care Conference, Nature Valley Bicycle Festival and the School Nurse's conference. Between these two areas our mission was shared with approximately 5,000 individuals. This estimation is drawn from over 10 speaking engagements with between 15-200 people in attendance and three locations where we had a booth in which there were between 150-20,000 in

 Family Outreach: Our mission is to build a children's hospice and respite care home. Once this home is built children with life-limiting conditions will stay for short respite breaks or for care with their family at the end-of-life. While we do not currently provide respite and end-of-life care, it is our goal to begin reaching out to families who are both bereaved and caring for a child with a life-limiting condition. In 2012 we provided comfort packages to 4 families caring for a child with a life-limiting condition at approximately \$200 per comfort package and 4 massage therapy/healing touch sessions to 2 families. Grants to provide these services were received at the end of 2011 and the expenses distributed for these services in 2012 that continue into 2013. We received donations towards sending flowers to bereaved families and distributed bouquets of flowers to 6 families on the date of their late child's birthday or date of death. Additionally, our board and volunteers include bereaved families and those currently caring for a child with a life-limiting condition. These family members are involved because they know firsthand the need for this children's hospice and respite care home and want to help raise awareness and funds to build this home. At many of our speaking engagements a bereaved parent attends and speaks about the need and the mission from their perspective having personally

 Development: This area of our initiative includes both development related to fundraising and development related to our efforts to find land and develop operational and building plans for Children's Lighthouse of MN. Both of these areas require many meetings with individuals who may be potential donors to help build the home as well as people working for healthcare organizations, attorneys, community leaders, architects, accountants and city officials. A number of third party fundraisers were held for our organization in 2012 and planning and follow-up visits took place with participants and attendees including those from the Nature Valley Bicycle Festival and the United Health Group employee led charity golf tournament. Also, in 2012 our clinical advisory council became active along with our building advisory council, fundraising council and marketing/communications council. These councils include individuals with professional backgrounds related to these areas of expertise to assist in building and raising money for a children's hospice and respite care home.
