Your Sponsorship Opportunity

During his retirement years, Harmon Killebrew was a spokesperson for the hospice movement and embraced the role it plays at one of the most critical times we face in life. Harmon's family and friends have created a fund to help build the Midwest's first hospice and respite home specifically for children – Crescent Cove.

We are seeking sponsorship to support the success of a 4th annual event to raise money for this important mission supporting families in our community.

Your generous sponsorship moves us one step closer to breaking ground on this home. Please complete the attached sponsorship contract and return to Katie by **November 30, 2015**. Payments, however, can be made any time before January 30, 2016. Thank you!
