## Tips for successful fundraising

### TELL YOUR STORY

Communication is key and passion is power. Tell your visitors why you are fundraising and what direct positive impact their support will have. Better yet, say it in a YouTube video!

### SHARE YOUR PROJECT LINK

Pick 10 of your closest family members and friends and send them an iMessage. Now pick your 5 favorite colleagues and send them an e-mail. Lastly, think where you have social followers, and share your message on Instagram, Facebook, Twitter or Snapchat.

### THANK YOUR DONORS

A simple personal thank-you message will make donors in your circles feel appreciated and encourage them to spread the word (and maybe even donate again).

### PROVIDE REGULAR UPDATES AND KEEP ASKING

People feel more connected if they can see your fundraising progress and all the effort you're putting in. Post regular updates to your GivenGain page and click to share them on social media too!

### MOBILIZE YOUR NETWORK

As the saying goes, "1 plus 1 equals 11". Raise the visibility of your project by asking your network to spread the word about it!
